COMPANY PROFILE

Canada • India • Australia

ABOUT US

Getting you that 1st Rank on Google, the all sold out Tickets to your event, huge traffic on your ecommerce platform or the increased inbound enquiries at your reception desk; they all give us our daily dose of adrenaline rush.

We exist with a single motive to help our clients achieve the most from their Digital Presence.

WHAT WE DO

- Prioritize your success
- Treat your vision as our own
- Offer you a highly skilled team
- Provide excellent customer support

WHY CHOOSE US

**15+ years of
industry experience**

**100%
transparency**

**Result-oriented
strategies**

**Affordable
pricing**

**Quick turnaround
time**

OUR UNIQUE 3P RULE

Passion

We take immense pride in each project we get. Achieving the results is as important to us as it is to you!

Planning

Every campaign we do for you follows extensive research and planning. Plan. Execute. Enjoy. Repeat.

Perseverance

We don't give up easily. And we don't stop until we've given you the desired results.

WORK METHODOLOGY

Understand The Project

Clearly understanding the goals of the project helps us identify the right avenues to take. Hence this is the most critical part of the project initiation.

Planning The Work

Meticulous Planning of the Digital Campaigns helps us navigate comfortably to achieve results quicker.

Implementation

Implementing the Digital Marketing and Advertising based on your Goal settings is finally what gets you ready to start getting results.

You Achieve Results

You begin to reap the benefit of consistent Digital Activity month after month with our awesome Digital Team.

IMPROVE YOUR VISUAL APPEARANCE
AND INCREASE YOUR SELF-CONFIDENCE.

Case Studies : Sun Blinds Inc.

Goal

- Create brand recognition in the target market
- Increase online visibility
- Increase leads

Challenges

For upto 10 years since its inception, Sun Blinds Inc. derived its business mostly through word of mouth and referrals. They had no online visibility or recognition, despite the quality products and amazing client support.

Strategies

- Revamped and responsive SEO-friendly website for better user experience.
- Offers and discounts to attract more audience.
- Lead generation through dedicated sales funnel.
- Customized SEO strategies to rank on page 1 of Google.
- Strong hyperlocal marketing strategies to bring in-store footfall.
- Consistent social media strategies to increase visibility and leads.
- Efficient Search ads & Display ads to bring in steady flow of leads.

360° Digital Solutions:

- Marketing Consultancy
- Website Design & Development
- Search Engine Optimization
- Social Media Marketing
- Facebook Ads
- Google Search Ads
- Google Display Ads
- Content Creation
- Graphic Design

Outcome

- Traffic increased by over **80%**.
- More than **2500 email signups**.
- Revenue generation increased by upto **3x**.
- **Generated more than 1500 enquiries through Google Business Profile.**

Case Studies : Kaayakalp Clinic (by Dr. V. S. Rathore)

Goal

- Overall branding and awareness
- Visibility and recognition in the local market
- Lead generation

Challenges

Kaayakalp had no online presence or recognition as a plastic surgery clinic. They had also not activated any steady channels for consistent lead generation.

Strategies

- New SEO-friendly website.
- Separate branding strategies for both the clinic & Dr. V. S. Rathore.
- Lead generation through dedicated sales funnel.
- Customized SEO strategies to rank on page 1 of Google.
- Strong digital awareness to engage existing patients and attract new users.
- Social Media strategies to keep market relevance.
- Efficient Search ads & Display ads to bring in steady flow of leads.
- Artwork for offline branding.
- Seasonal offers & discounts to attract users.
- YouTube optimization to improve audience engagement and generate leads.

360° Digital Solutions:

- Marketing Consultancy
- Website Design & Development
- Search Engine Optimization
- Social Media Marketing
- Facebook Ads
- Google Search Ads
- Google Display Ads
- Content Creation
- Graphic Design

Outcome

- More than **600%** increase in organic traffic.
- Revenue generation increased by upto **4x**.
- More than **12000** organic leads generated in **5 years**.
- **30000+** Searches on Website and Google Business Profile.

Case Studies : Dr. Beena George Dentistry

Goal

To establish the brand as a top quality dental clinic in the hyperlocal market. Increased the walk-in footfall and calls.

Challenges

Dr. Beena George Dentistry was a brand new dental clinic with limited online traffic and visibility.

Strategies

- Improved messaging on the website to better attract the target audience.
- Lead generation through strong hyperlocal marketing strategies.
- Customized SEO strategies to rank on Google.
- Strong digital awareness through social media to engage users.
- Social Media strategies to keep market relevance.

Custom Digital Solutions:

- Marketing Consultancy
- Website Development
- Search Engine Optimization
- Social Media Marketing
- Content Creation
- Graphic Design

Outcome

More than **3000%** increase in online traffic in just 6 months. Around **500** organic calls generated through online marketing channels.

Dr. Beena George
Dentistry

Case Studies : VCAN Immigration Solutions

Goal

- Create social media presence for greater brand awareness
- Lead generation
- Increase online traffic

Challenges

VCAN Immigration Solutions had very limited digital presence or traffic. The engagement was negligible alongside a lack of proper social media marketing strategy.

Strategies

- Improved messaging on the website to better attract the target audience.
- Organic lead generation through strong hyperlocal marketing strategies.
- Strong and consistent social media marketing to increase online footfall.
- Strong digital awareness through social media to engage users.
- Paid social media ads to bring in new leads.
- Seasonal offers based on announcements from IRCC.

Custom Digital Solutions:

- Marketing Consultancy
- Social Media Marketing
- Content Creation
- Graphic Design
- Facebook Ads

Outcome

- **400** Leads/ Month with a conversion rate increase by **50%**.
- Website Traffic increased by more than **300%**.
- More than **25000** serches on Google Business Page in last **3 months**.

Case Studies : Business Growth & Exit Specialists

Goal

- Increase website traffic
- Improve leadflow
- Increase brand visibility

Challenges

Lack of a clear marketing path and a limited digital presence

Strategies

- Improved and targeted offer for website users.
- Strong and custom SEO strategies to rank on page 1 of Google.
- Organic lead generation through strong hyperlocal marketing strategies.
- Lead generation through dedicated sales funnel.

Digital Solutions:

- Marketing Consultancy
- Search Engine Optimization
- Hyperlocal Marketing
- Content Creation
- Graphic Design

Outcome

- More than **70%** growth in online traffic in less than a year.
- Leadflow increased by more than **80%**.
- Nearly **1000** website users per month.

Case Studies : Aesthetica Dental Implant Clinics

Goal

- Increase online visibility and traffic
- Increase clinic footfall
- Increase online leads

Challenges

The brand had quite limited digital activity in terms of awareness and regularity. They also lacked a clear and persistent digital marketing path.

Strategies

- Improved messaging on the website to better attract the target audience.
- Lead generation through strong hyperlocal marketing strategies.
- Customized SEO strategies to rank on page 1 of Google.
- Strong digital awareness through social media to engage users.
- Social Media strategies to keep market relevance.
- YouTube optimization to improve audience engagement and generate leads.
- Artwork for offline branding.
- Seasonal offers & discounts to attract users.

360° Digital Solutions:

- Marketing Consultancy
- Website Design & Development
- Search Engine Optimization
- Social Media Marketing
- Facebook Ads
- Google Search Ads
- Google Display Ads
- Content Creation
- Graphic Design

Outcome

- More than **200%** increase in organic traffic.
- Revenue generation increased by upto **3x**.
- More than **20000** organic leads generated in 5 years.
- More than **1000** global patients for medical tourism.
